Check For \$14,187 From Contractors****Salvation Army To
Conduct Annual
Campaign For Funds**

Announcement was made today that the Salvation Army Service Unit committee, of which Mrs. Elsie M. Gillette, chairman and Mrs. Florence Niethammer and Mrs. Florence Niethammer is treasurer, will conduct its annual campaign for funds for local and regional welfare needs. Special letters will be mailed to local citizens requesting contributions to be mailed to the treasurer, Mrs. Niethammer.

There is only one campaign by mail during the year. In June of each year the annual Doughnut Tag Day is held, and then, as frequently as possible the Army makes available to interested friends, the weekly publication known as the War Cry.

Last year the citizens of this community responded generously, and the committee, as well as the officials of the Salvation Army express appreciation for placing this humanitarian organization in a position to render year-round services to people irrespective of creed or color.

A portion of the money is used by the local committee for a program of health, welfare, and cultural activities. The local committee will render services at the point of need to the limit of their funds. Such needs may include clothing for school children, dental, optical and medical assistance, and family welfare needs of all kinds.

The remainder of the amount raised will be used to provide maintenance of a maternity hospital for un-married mothers, summer camp benefits for mothers and children, rehabilitation work for men, veterans hospital work, and other facilities, including a reserve fund for emergencies and disasters. The regional program is available to Mokena whenever the need arises.

Chairman Gillette and committee were whole-hearted in their cooperation with the Salvation Army and its program of traditional services, expressing appreciation for this extension of the Army program into the local community. Brigadier C. Overstake, Divisional Commander for the Metropolitan area, expressed his deep appreciation to the Mokena committee for their expression of confidence and good will.

Mrs. E. Gillette urges everyone to give liberally when the Salvation Army drive is conducted here.

The other local committee members cooperating with and sponsoring the Service Unit is Mrs. Margaret M. Semmler.

**Frankfort Lions
Sponsor Christmas
Lighting Contest**

The Frankfort Lions club will sponsor a residential and commercial Christmas lighting contest for the residents of Frankfort.

Contestants may decorate as early as desired. The judging will be by impartial judges the week of December 17 to 24, with awards presented immediately after Christmas.

There will be three cash prizes for residential winners. The commercial winner will be presented with a trophy with the firm name inscribed. Any firm winning this trophy three times will be allowed to retain the trophy permanently.

The desire of the Frankfort Lions club is to reward those who contribute most toward the bringing of Christmas Spirit to the village.

**Rev. Steele To
Address Frankfort
PTA at Dec. Meeting**

The Frankfort PTA will hold their December meeting at the grade school Dec. 8, starting at 7:30 p.m. In keeping with the spiritual implications of the holiday season, Rev. Steele, pastor of the Frankfort Methodist church, will address the group.

Several appropriate selections will be rendered by the children's choir from St. Peter's Evangelical and Reformed church, of Frankfort.

**Immanuel Lutheran
Church Assists In
World Relief Drive**

The Immanuel Lutheran church in Mokena has contributed to the Lutheran church World Relief Drive. This effort, in Mokena, was sponsored by the Ladies Aid under direction of Mrs. Alvin Kohl, president.

Saturday the women met in the church and packed the material and clothing collected for the drive. It filled 15 large boxes. Monday the boxes were shipped to the World Relief sub-station at Nappanee, Ind.

**VFW OFFERS
FINE TRAVEL
OPPORTUNITY**

Many people have often dreamed of a trip to Miami Beach, Fla., wondering if their dreams would ever come true. Such a dream could come true, however, and at a time when this area is usually in the throes of mid-winter, because the William Martin Post VFW, Mokena, is offering a free trip to two persons upon whom Dame Luck may smile at their New Year's Eve dance, to be held at VFW hall on Wolf road, Mokena.

The trip includes air transportation both ways for two persons, and seven days at the beautiful Majestic hotel, located on the ocean in Miami Beach. A second award will be a \$25 defense bond.

To secure tickets and an opportunity to miss a week of winter weather, contact any member of the Wm. Martin Post whom you might know, or drop by the Post home on Wolf road.

Spend New Year's Eve in delightful fashion among people you know, at the VFW dance. Plan now to attend, and buy tickets for the dance.

**When Telephone
Rings How Long Can
You Wait To Answer**

A resident of New Lenox recently wrote to the Illinois Bell Telephone company asking how long a phone can be allowed to ring before the operator quits ringing. As the Telephone Company's reply is of general interest, it is reproduced below.

"Your inquiry as to how long you should allow a telephone to ring is very interesting. As you said in your letter, we recommend about a minute. We certainly don't expect you to keep a watch on the clock, but an easy way to remember the time is to allow the telephone to ring about 10 times. This equals, roughly, a minute in community which have dial telephone service and machine ringing. New Lenox is one of these towns.

"You also mentioned something about friends who seem to have quite a time getting to the phone if they are in the basement or upstairs when it rings. Of course, our recommendation is that these people might benefit from an extension telephone. The cost is very small—less than three cents a day.

"We have thought of using the information about waiting for 10 rings in Telebriefs, but, of course, there are some towns where the operator must do the ringing manually, and at a particularly busy time she may not be able to ring 10 times a minute.

**Soldier Killed In
Auto-Truck Crash
At 165th and Rt. 45**

William G. Noakes, 32, of Camp Douglas, Wis., was injured fatally when his car, southbound on Route 45, sideswiped a northbound truck driven by Harold Prott of Marine, Madison county, at 165th st., early Friday morning. Both drivers were taken to the Oak Forest infirmary, where Noakes died later.

The truck involved in the accident was carrying a load of steel, which was scattered in every direction at the impact. Several Alpine residents arrived at the spot shortly after the accident, and all were astonished that anyone should have come through alive.

**New Lenox Riding
Club Hits Trail**

The New Lenox Riding club met Nov. 21 for their monthly trail ride, starting at one o'clock from the E. C. Olsen home. One buggy and 14 riders participated. They went to the Woodruff stables where they rode the bridge path and back. At 6 p.m. they met in the Lions Den for their regular business meeting with 24 present. Guests who attended the meeting were, Mrs. Arthur Engstrom, Pat Fries, Joliet; Diana Mankowski, Frankfort; Marjorie Doyle, Mokena; Mr. and Mrs. Charles Hollenberg, Mrs. J. S. Weber, and Billy Weber of New Lenox.

Those appointed to the December committee were, Mr. and Mrs. Lon Gates, Dawn Weber, James Pierce, and Danny Walker. Movies were shown of the October Gymkhana, and other movies on The Big Stampede were shown by Caryl Robinson.

Consumption of bituminous coal by U.S. electric utilities—coal's largest customer—is running slightly ahead of last year, and amounted to 56½ million tons in the first 66 months of 1954.

**St. John's To Have
Missionary Guests
Sunday, Dec. 5**

Rev. Armin F. Meyer, furloughed missionary from India, will be the guest speaker at St. John's church in Mokena next Sunday at the 10:45 service.

Mr. Meyer, ably assisted by Mrs. Meyer, has served in the middle provinces of India since

Rev. Armin Meyer

1921. More recently they have been working in Omissa. Rev. Meyer said, "Political importance of India is in the limelight today as never before, but the concern of the church is in the spiritual, social and economic life of the country."

Among the "practical" achievements of the missionaries are: Building smokeless fireplaces, thus saving the eyes of the women as they prepare meals, introducing milk goats into an area where there was no milk, introducing a strain of good laying chickens, improving sanitary conditions and health, and encouraging the village Christians to develop a self-supporting church.

The missionary will show pictures of this work to the men of St. John's church and others at a meeting at 8 o'clock this evening. Both he and his wife will be guests of the Sunday Evening Club at a pot luck supper at 7 o'clock next Sunday.

**Lions Clubs To
Sponsor Father, Son
Football Banquet**

The Lions Clubs from New Lenox, Manhattan, Mokena, and Frankfort are sponsoring a football banquet for the Lincoln-Way football squad. The banquet will be held Wednesday night, Dec. 8, in the high school.

Mr. Sprunger, assistant secretary of the Illinois High School association and national authority on football and basketball rules will be the principal speaker. Also included in the program will be the presentation of letters to the varsity and junior varsity teams by Coach Lashmet and Coach Buckowich.

Due to the limited seating capacity of the cafeteria each of the towns in the high school district will be allotted 20 to 25 tickets which may be obtained from Fred Lehmann, Mokena or at the Lions meeting this evening, Dec. 2.

**Amanda Ebert Weds
William Englemann**

At a very simple ceremony at her home in Frankfort, Miss Amanda Ebert and Mr. William Englemann were united in marriage at 4 p.m. Nov. 24, with Rev. Erich Bizer officiating. Their attendant were Mrs. Fred Klepper and George Englemann, of Joliet.

Later, a supper was served by the officers of the Women's Guild of St. Peter's church, to 15 guests, including the immediate family, Rev. and Mrs. Bizer, and a few friends.

The newlyweds are now at home at 130 S. Walnut st., Frankfort.

**Howard Scheiblich
Hurt in Auto Crash**

Howard W. Scheiblich, of Mokena, received head injuries when the car he was driving Monday night, about 9 o'clock, crashed into a fire hydrant and two trees at Nicholson and Western ave., Joliet. He was knocked unconscious by the impact, and was taken to St. Joseph's hospital by Police Officer Wm. Findlay, in the police ambulance. He regained consciousness shortly after his arrival.

CARD PARTY

The Auxiliary to William Martin Post, VFW, Mokena, will sponsor a card party Saturday evening, Dec. 4, in the VFW hall, on Wolf road, starting at 8:30 p.m.

The committee in charge consists of Louise Hentsch, Ruth Doctor, Lucille Long, Marian Friant and Alice Humdering.

**FRANKFORT PTA
BUYS MORE
ROLLER SKATES**

A capacity crowd of youngsters, and as older people filled the Frankfort school gym the evening of Nov. 23, to enjoy roller skating. Skating every Tuesday is being sponsored this year by the Frankfort School PTA. The PTA regrets that a few youngsters were unable to skate because the crowd was larger than anticipated, and there was not enough equipment to go around.

However, the PTA has just purchased 75 pairs of roller skates for use at the Tuesday evening skating sessions. No child, teen ager or adult need bring their own skates, as they are furnished at the school by the PTA. A special time - from 6:30 to 7:30 has been reserved for beginners, and children up to and including 6th grade students. They will be charged a 30 cent admission fee. The floor will be cleared at 7:30 for teen agers and adults, who will be charged 50 cents. Mr. Uthe will supervise the skating at all sessions.

Anyone who wishes to purchase shoe skates may do so through the PTA by calling Frankfort 4882. All who have shoe skates and who have outgrown them and want to sell them are asked to leave their name and skate size at the door next Tuesday.

**Deer Hunters Have
Fine Time But
See Nary A Buck**

Charles Swanberg, of the Swanberg Farm and Auto Service, Mokena, and Herb. Bruns, proprietor of Bruns tavern, New Lenox, went on a four-day deer hunting expedition to Waussau, Wis. They had heard that the deer hunting was good up there. However, they returned home Tuesday with the grim report, "not even a shot."

By way of temptation, the deer hunters saw a few does within easy range, but that doesn't count. Nary a buck cracked the stillness of the North Woods.

However, both hunters had a wonderful time and would not have missed the trip for anything.

**Christmas Concert
At Lincoln-Way**

The combined band and choruses of Lincoln-Way Community High school will present a Christmas concert at 8 p.m. in the high school gymnasium Dec. 21.

The program will be under the direction of Mrs. Betty Tryon, vocal instructor, and Robert C. Taylor, band director, and will be open to the public.

Tickets may be purchased from any band or chorus member after Dec. 6. This will be the first appearance of the Lincoln-Way Music department in formal concert.

**Lincoln-Way
Teachers Exchange
Christmas Ideas**

Lincoln-Way classroom teachers held their monthly meeting Nov. 24 in the Union school, where Mrs. Marjorie Neveverman is principal. Mrs. Hilda Walker presided. At roll call, each teacher answered with the demonstration of a quiet or indoor game. Ideas for Christmas were exchanged, and a discussion of problems arising daily in the course of teaching was helpful.

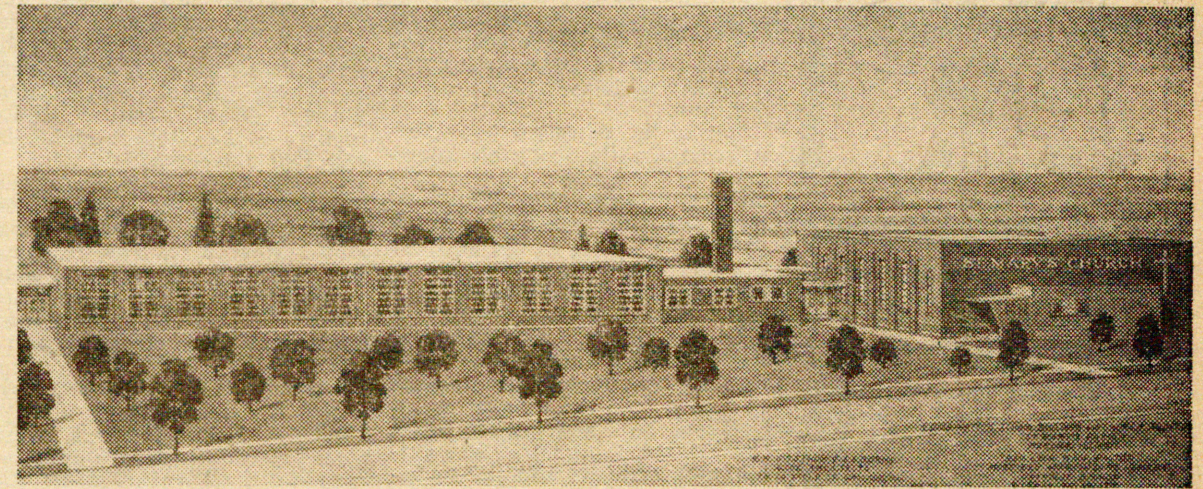

The December meeting was voted out in favor of a luncheon during the holidays. Refreshments of cake and coffee were served by the principal, assisted by Mrs. Marion Liberty and Mrs. Clea Smith. Others attending the meeting were Mrs. Emma Marti, Mrs. Jesse Eggman, Mrs. Daisy Johnson, and daughter, Mrs. Gladys Roth.

Mrs. Marie Delaney, Mrs. Cora Roads, Mrs. Marie Mueller, Miss Isabel Harming, Mrs. Hazel Draves, Mrs. Alma Thornburg, Mrs. Adeline Warriner, Mrs. Iva Sproat and Mrs. Isabel Davidson.

St. Mary's To Erect Combination Church-School**To Speak At
St. Peter's Sunday**

A Thank-Offering-In-Gathering service will be held at St. Peter's Evangelical church in Frankfort Sunday, Dec. 5, at 10:30 a.m. Mrs. Armin F. Meyer,

Mrs. Armin Meyer will be the guest speaker at the service.

Mrs. Meyer and her husband, the Rev. Armin F. Meyer, have recently returned on furlough from their missionary endeavors in India, where they have been working for 33 years.

Mrs. Meyer is a sister-in-law of Rev. and Mrs. Wm. Riemann, of St. John's church, Mokena.

**LETTERS TO
THE EDITOR**

November 30, 1954

Dear Mrs. Semmler,
I would like to start a campaign against hunting in and about Mokena. I feel the press is the first step in this direction. As you know, innocent children have been hurt by careless hunters these past two years.

For the past two weeks I was hospitalized in Solvay Cross hospital. My five school children were taking care of the house. One day a bullet was shot through a bedroom window, tearing a hole in the screen and shattering glass in the storm window. The bullet missed the bed by a hair's breadth and dented the wall. Had someone been sitting on the bed, or passing into the room at that time, a serious accident could have happened.

We can't get insurance on our homes to cover hunters' carelessness. We have to pay for some one else's entertainment.

We mothers of small children in Sunny Acres are living a life of fear during hunting seasons. We can't even find shelter from these fiends in our own homes. I do hope through the press that we can put an end to hunting around Mokena and its subdivisions.

Yours truly,
Mrs. Arthur Marshall
11508 W. 194 St.
Mokena, Ill., Rt. 1

Editor's Note: There is a law that no shooting can be done within the corporate limits of Mokena. While Sunny Acres is not within the corporate limits of Mokena, this law was made to prohibit shooting in closely populated areas to prevent occurrences of this kind. There is a severe penalty for violations of this law, and it is hoped that the guilty party or parties will be apprehended.

From Mrs. Marshall's description of the damage, the careless hunter was evidently using a rifle, rather than a shotgun, which makes a criminal offense of the incident.

**Mokena PTA to Give
Square Dance Dec. 11**

The next square dance in the Mokena grade school auditorium will be held Saturday, Dec. 11, starting at 8 p.m. A good caller from Chicago has been engaged for the occasion.

These square dances have become so popular that the PTA has arranged to schedule them once a month, beginning with January 8, and on the second and fourth Saturday thereafter. A small admission fee is charged.

**LIONS COLLECT
USED TOYS FOR
NEEDY CHILDREN**

The New Lenox Lions club, in true Christmas spirit, are collecting toys for distribution to needy boys and girls in the area so their Christmas may be as full of joy and cheer as it should be. Every family that has used toys that are still in good, serviceable condition—toys the children have outgrown or have become tired of—is asked to bring such toys to Hutchins Cleaners establishment on Route 30.

Signs are being placed in various stores, publicizing this project, which will be given additional impetus through the schools. It is hoped that a fine array of used toys will be garnered in the next few weeks.

The Lions will pick them up at Hutchins and distribute them before Christmas, in places where they will bring Yuletide cheer which might otherwise be lacking.

This year, as in the past, the Lions club will distribute Christmas baskets to needy families. Last year more than 25 Christmas baskets were distributed. The Christmas basket has been a custom with the New Lenox Lions ever since the club was organized, seven or eight years ago.

**WCSH Hold Bazaar
Bakery Sale, Sat.**

The afternoon and evening circles of the Women's Society of Christian Service of the Mokena Methodist church will hold their annual Christmas bazaar and bakery sale this Saturday afternoon, Dec. 4, in the Cooper and Hostert garage. The sale will start at 2 o'clock.

Among articles for sale at the bazaar will be fancy work of various kinds, stationery, Grace paper napkins, doll clothes to fit dolls up to 14 inch in size. Also Crinoline Christmas trees and many other articles which make a nice selection for Christmas gifts. Everyone is invited to attend and look over the articles and bakery goods.

**NEW COUNTY
OFFICERS TAKE
OATH MONDAY**

The newly elected officers of Will County will be installed in office Monday, Dec. 6. The only changes being made in the court house will be the new Treasurer, who is Floyd Kraft, of Green Garden township. He states that he will retain most of the present staff in the Treasurer's office. All are well versed in and thoroughly understand the routine of this office.

Mr. Kraft will not fill the department handling delinquent personal property collections at once, as he would like to make a thorough study of that program before making any decisions.

The other change in new officers will be that of Stewart C. Hutchison, who is the new Probate Judge, succeeding Fred R. Adams who has been ill for several years. This office has been taken care of by County Judge John Cowing.

Sheriff Roy Doerfler will move into the house that is furnished and maintained for the sheriff at 14 N. Chicago st. This has been occupied by Mrs. Rose Overby, widow of the late sheriff Ernest E. Overby, who died while in office.

Six county officials will be sworn in at the meeting of the Board of Supervisors in the court house Monday. County Clerk Hartley will give the oath to Mr. Kraft, Mr. Hutchison, Judge John Cowing, Circuit Clerk Paul Wunder and Probate Clerk E. B. Workman. Circuit Clerk Wunder will administer the oath to County Clerk Hartley.

Byron W. Hunte will be the outgoing Treasurer, who, it is felt, has made a fine record for himself in office. During his regime he inaugurated a campaign to collect unpaid personal property taxes.

This week, Father Cecil Koop, O.F.M., pastor of St. Mary's Catholic church in Mokena announced plans of the parish to erect a combination church and school building. This building will be erected on the new property recently purchased by the parish at the east corner of 115th street. Present plans call for construction to get under way no later than March 1, 1955.

Messrs. K. M. Vitshum and J. J. Burns, Associated Architects, 1 North LaSalle street, Chicago, are the architects who designed the new building and will be in charge of construction. These architects are quite well known in the Chicago area. Their most recently completed building is the new St. Peter's downtown church at Madison and Clark streets in Chicago.

The new building will be an "L" shaped structure with the church auditorium running parallel to 115th avenue and the school running parallel to 195th street.

The school plan calls for a building which will measure 150 feet long by 60 feet wide. There will be eight classrooms in the school building and at maximum capacity will provide for 384 students. It is so constructed that another wing may easily be added, if necessary.

The church building will be 94 feet long and 48 feet wide. It will seat 450 people. Basically, the church is an auditorium-gym and in the long range plan of the parish when a separate church building is erected this building will be the auditorium-gym for parish activities.

The church and school will be connected by a foyer thus permitting the children to march directly from church into school and vice versa. This foyer will contain the boiler room, toilets and offices.

This venture naturally is a tremendous step for the parish to take and will place it in debt for years to come. It is a step, however, which is based on the future of Mokena. The pastor takes this opportunity to thank the good people of Mokena for their support in past activities, and appeals for their continued support in the future.

His Excellency, Bishop Martin D. McNamara, Bishop of Joliet, has carefully studied the plan and has given his permission to go ahead with the project.

**Library Buys
Best Seller Book
About Army Life**

The new best-seller, "No Time for Sergeants," by Mac Hyman, has been purchased for the Mokena Library. One of the funniest books in years, it is sure to make almost anybody laugh out loud.

It is about a Georgia hillbilly, Will Stockdale, who is drafted into the army. In the barracks Will met Ben Whitley. Together they managed to get assigned to the air force. There began a series of peculiar escapades. Will's long hours on KP and his many misadventures will give readers one laugh after another.

This is one of the most humorous books ever written about life in the armed services and is sure to be a favorite of men.

**Irene Ruby Kreis
United In Marriage
To Solomon Lucero**

Mrs. Roy Kropp and Mrs. William Steen, both of Mokena, and Mrs. Leigh Kropp, of Lockport, participated in the wedding of the former's niece, Miss Irene Ruby Kreis, when she was united in marriage Saturday evening in the First Lutheran church in Joliet, with Mr. Solomon Cano Lucero. Mrs. Roy Kropp was in charge of the guest book at the reception and Mrs. Leigh Kropp and Mrs. Steen presided at the punch bowl and coffee urn.

The bride is well known in Mokena, as she is the daughter of Mr. and Mrs. Arthur Kreis, formerly of Mokena. She is a graduate of Silver Cross hospital school of nursing. David Kropp of Mokena and Paul Kreis, the bride's brother, were ushers.

The young couple will make their home in Joliet.

HOW TO CAST CHRISTMAS CANDLES

Christmas candles can be cast of your soap carvings. Place the carving in milk carton with one end cut out and pour plaster of paris to depth of an inch over mold. After plaster mold hardens, tear away carton and saw mold in half. Remove soap carving and coat inside of mold with water glass mixed with an equal amount of water. When this has hardened, apply mineral oil to inner surfaces of mold. Assemble mold with rubber bands, inserting a heavy cord for wick, holding this centered with paper clamp. Pour in melted paraffin, let it harden, then gently remove mold.

HOW TO MAKE MULTI-COLORED LOGS

Yule logs that burn with a beautiful, multi-colored flame add a novel touch to holiday gatherings around the fireplace. The logs are made by soaking tightly rolled newspapers in a strong solution of salt, blue vitriol (copper sulphate) and water. After the rolls have soaked for a week in a wooden barrel or large earthenware crock and dried thoroughly, they will burn for a long time with flames of various colors. CAUTION: The solution is poisonous.

The Woman's Benefit Association, Sunset Review 160 met Nov. 18 in the home of Mrs. Dora Olsen.

Following the formal opening conducted by Irene Skubisz, the initiation of Josephine Skubisz took place.

Discussion centered around the coming Christmas party with final plans to be formulated at the next meeting, Dec. 2, in the home of Mrs. Midge Rauch.

Members greeted Lee Kankaskas, who has been ill for sometime and unable to attend

meetings. Alfreda Willman, publicity.

Bremen Home Bureau Designs Yule Decorations

Craft Day with Bremen Home Bureau members was held Nov. 17 at the home of Mrs. Leonard Splawski. Beautiful decorations of Christmas trees, Santa Claus faces and other holiday items were fashioned.

The regular monthly meeting was held Nov. 22 at 7:30 in the home of Mrs. Albert Holup. New members welcomed into the group were: Mrs. R. E. Nelson, Mrs. George Smith and Mrs. Arthur Lehman. The lesson, "Health for the Ageing", was presented by Mrs. Wm. Kopp.

A Christmas party will be held Dec. 13. Members will be notified of meeting place. Hostesses of the evening were: Mesdames Holup and Hult.

Warns Motorists Of Dangers Of Monoxide Poison

With cold weather in the offing, the Chicago Motor Club warns motorists of the increased danger of carbon monoxide poisoning.

"Carbon monoxide is a killer in two ways," Chas. M. Hayes, Club president, cautioned. "Small doses of the gas slow your reactions and may involve you in a fatal accident. The gas itself is deadly - one part of it in 700 parts of air can be fatal."

Hayes reminded motorists that carbon monoxide is colorless, odorless, tasteless and therefore cannot be detected by the senses.

"However, a smart driver will realize something is wrong when he gets the danger signals such as drowsiness, headache or

nausea," Hayes added. "If he's driving, he should get out of his car and walk about in the fresh air for awhile. Should he be in a garage or other unventilated place, he should open all doors and windows."

Carbon monoxide poisoning often occurs when a motorist is caught in a traffic jam, or while stopped at a railroad crossing. In these cases a considerable amount of exhaust may be drawn into an auto with a heating system that uses suction fans to draw air from the front of the radiator.

To reduce the dangers of carbon monoxide poisoning, the Motor Club recommends drivers to:

1. Always leave a car window open so air can circulate within the vehicle.
2. Never run the auto's engine in a closed garage or unventilated place.
3. Never sit in a car with the engine running, the wind can blow deadly gases back into the auto.
4. Check the engine for proper combustion and the exhaust system against leaks.
5. Heed the danger symptoms of dizziness, headache, nausea, and impaired driving skill - get out into the fresh air.

CHRISTIAN SCIENCE CHURCHES

The understanding of the goodness of God which brings lasting peace and harmony will be brought out at Christian Sciences services Sunday, December 5, in the Lesson-Sermon entitled "God the Only Cause and Creator."

Selections to be read from the King James Version of the Bible will include the following from Revelation (4:1): "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (69:18): "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal."

The Golden Text is from Genesis (1:1) "In the beginning God created the heaven and the earth."

More Illinois Schools Install Milk Venders

Milk-vending machines will help Illinois school children drink more milk. Roland W. Bartlett, milk marketing specialist at the University of Illinois College of Agriculture, urges all civic groups and organizations to get behind a statewide program to increase milk consumption in the state's schools by using these machines. Bartlett points out that there are around 1,000 schools in Illinois that have not taken advantage of the federal-state milk program through which school children may buy milk at reduced prices.

A committee is being set up in each Illinois county to promote the "Milk for Health" campaign. Each committee is to arrange for awards to the four schools in each county that increase milk consumption most between January 1954 and January 1955. Regional and state awards will also be made by the state committee, Bartlett says.

One goal is to get milk-vending machines into schools with more than 400 students whose milk consumption is less than average. With cold milk available, school children drink more milk. Vending machines have reported in 31 schools in Illinois so far in the campaign.

As one example of cooperation by an outside agent, Bartlett says the Illinois Pure Milk Association has loaned money to four schools to buy machines. This money is to be paid back over a period of 2 or 3 years from the sale of milk. These schools include Haines grade school in St. Charles, Rock Falls High School, Woodstock grade school in McHenry County and Lake Geneva High School.

At present the 660 students in the Woodstock school are buying over 400 half-pints of milk daily from vending machines.

CARD OF THANKS

We wish to thank our friends for their kind expressions of sympathy, especially Rev. William Riemann for his comforting words; the pall bearers and donors of caskets; also our very dear neighbors for all their efforts and for the floral contributions in memory of our loved one.

MRS. ALMA WYTHX
and FAMILY

Rev. and Mrs. Armin F. Meyer are guests of their brother and sister-in-law, Rev. and Mrs. William Riemann while the former have speaking engagements in this area. They are on furlough from India.

Miss Sally Hirsch, daughter of Mr. and Mrs. Edwin Hirsch of Chicago Heights, well known in Mokena, is a candidate for queen at a homecoming dance at Bloom township high school.

Guests of Mr. and Mrs. Arthur Benson at dinner Sunday were: Albert Jarchow, Mr. and Mrs. Arthur Bogacz, Mr. and Mrs. Ervin Warning all of Mokena and Mr. and Mrs. Leroy Jarchow of New Lenox.

There were several families who moved in Mokena last week end.

The Evert Benson family moved into their new home on Carpenter st., Mrs. Alice Miller moved from the Rinke house on Front st., to the home of her daughter, Mr. and Mrs. Gilbert Hurley; the Jack Nordells moved from the Bettenhausen apartment to his mother's house on Denny st.; Mr. and Mrs. John Gorman and family of South Wolf road will move into the Bettenhausen apartment; Mr. and Mrs. Charles Ellis and family will move into the house vacated by the Gormans; Mr. and Mrs. George Kamradt and family moved Wednesday into a house on south Wolf road and later, Mr. and Mrs. Ray Westlund and family will move into their house vacated by the Kamradts. Mr. and Mrs. Charles Teague of Chicago parents of Lyman Teague will move this week end into the Rinke house on Front st. Mr. and Mrs. Marvin Smith of Morton will move Saturday to the home of her mother, Mrs. Margaret Semmler.

A son was born Sunday, Nov. 28 in St. Bernard's hospital, Chicago to Mr. and Mrs. Richard Montezon, Front street, Mokena. He weighed seven pounds, nine ounces.

Miss Joan Burmeister of Monee was a week end guest of the Harry Bettenhausens.

Mr. Theodore Oestreich of Joliet, brother of Mrs. Margaret Semmler and Mrs. Clida Deadmore, who underwent surgery two weeks ago, underwent surgery again Saturday morning in Silver Cross hospital to overcome hemorrhaging. He is doing nicely now.

Mrs. Winifred Sizer of Sunny Acres figured in an auto accident in Joliet Sunday evening at 8:30 when she collided with another car on the Plainfield road.

THANKSGIVING GUESTS

A family gathering was enjoyed in the Lyman Teague home. Present were her mother, Mrs. Bede Harling, Chicago; Mr. and Mrs. LeRoy Harling, Mokena; Mr. and Mrs. Paul Stolberg and family, Bellwood; Mr. and Mrs. Robert Ross and son, Elmwood; and his parents, Mr. and Mrs. Charles Teague, Chicago.

Mr. and Mrs. William Lowrey and sons spent the day with her parents, Mr. and Mrs. Charles Singler in Chicago.

Mr. and Mrs. Kenneth Benson and family, Mr. and Mrs. Arthur Benson, Mokena and Pvt. and Mrs. Bill Lankenau of Ft. Leonard Wood, Mo., spent the day with their parents, Mr. and Mrs. Ervin Warning.

Mr. and Mrs. W. H. Pitman enjoyed a family gathering of her children. Present were: Mr. and Mrs. William Schmidt and family, Chicago; Mr. and Mrs. Stanley Piper and family, Grant Park and Mr. and Mrs. Bristol Lauffer of Joliet.

Mr. and Mrs. Ervin Howes and family spent the day with her father, Fred Schultz in Chicago. Her sister, Mrs. Clarence Zimmerman and son of Harvard who were also present returned home with the Howes for a few days visit.

Mr. and Mrs. Carl Harris of Mansville, Mo. were guests for a week in the home of his sister, Mr. and Mrs. A. P. Belenger. Friends from Chicago joined them Thanksgiving.

The Edwin Ohlendorf family, Mrs. Clara Schrank, Mr. and Mrs. Elvin Roemer and Mr. and Mrs. Edward Abbe spent the day with the Herbert Stege's in Mattoon.

Platinum Aids
Petroleum Industry

Known for many years as a precious metal used for fine jewelry, platinum serves today in

many other ways. One of its new and important uses is as a catalyst in producing high-octane gasoline and other petroleum products. Substantial quantities of platinum already are serving the oil refining industry which has undertaken a large expansion program based on the use of platinum catalysts.

Surface mining methods last year accounted for the production of more than 8 1/2 million tons of bituminous coal by 166 companies in West Virginia.

Bremen Braves Win In 1st Basketball Games vs. Central

Bremen high school Braves opened their 1954-1955 basketball campaign by defeating Central 47-40 on the Clifton Court, Saturday night, Nov. 20.

Getting off to a quick start, the Bremen quintet built up a 31-18 half time lead, and preserved the win by staving off a Central rally in the final half.

Al James, Wally Warszalek, and Bill Linsey caged 38 of Bremen's 47 points, while Ron Gallina and Len Wood set up play, and sparged the defense. Also seeing action were Bob Miller and Dick Graham.

Bremen held a comfortable lead throughout most of the tilt, but received a momentary scare when Clifton pulled within two points midway through the fourth quarter.

Coach Bill Brown takes his cagers to Rich, Dec. 3, for their first conference tussle.

A coal-loading record for the port of Buffalo was made last month when one of the new lake superfreighters took on 14,225 tons of bituminous coal, eclipsing by more than 2,000 tons Buffalo's best previous record.

The nation's electric utility plants in the 12 months ended July, 1954, burned more than 116½ million tons of coal, better than a 4½ per cent increase over the like period ending July 1, 1953.

CARD OF THANKS

I wish to thank all friends, relatives and neighbors for the kindness shown me at the time of the death of my dear husband, Christ Steinhagen; also Rev. Glen Ames for his comforting words; the Police Dept. for escort; and for the floral offerings.

Mrs. Christ Steinhagen

The Tinley Park Church of Christ joined with the Baptist, Nazarene and Methodist congregations in a union Thanksgiving service in the Nazarene church Wednesday evening.

Mr. and Mrs. Frank Miller of New England Avenue recently celebrated their fifteenth wedding anniversary.

Mr. and Mrs. Fred Nitsche returned from a tour of the southwest. New Orleans is particularly beautiful at this season of the year.

Last Friday evening, a hard-times social sponsored by the Church of Christ, was held. Friends and members of the church enjoyed the many games and song session planned by Mrs. Madge Hazeckamp, Mrs. Dorothy Larson and Mrs. Glee Curtis. Coffee and doughnuts provided the refreshment of the evening.

Thanksgiving Guests

Guests at the Roland Hosking home were Mr. and Mrs. John Hoekstra; and Mrs. Clara O'Rourke, sister of Mrs. Hosking, all of Chicago.

Guests at the Alvin Andres home were the Homering and Hires family, Mr. and Mrs. Martin Miller, and the latter's sister, Gunhild of Chicago.

Mr. and Mrs. John Swisher were host at Perry's restaurant. Their guests were, Mr. and Mrs. Jack Onions and daughter Margaret of Chicago; grand daughters, Frank and Kay Swisher; and Mr. and Mrs. Dick Swisher, Billy and Janice Louise.

The Richard Freund family spent the day in Detroit, Mich., at the Louis Nukri home.

Mr. and Mrs. Louis Matuzowich and family were guests of Mr. and Mrs. Frank Weber in La-Grange.

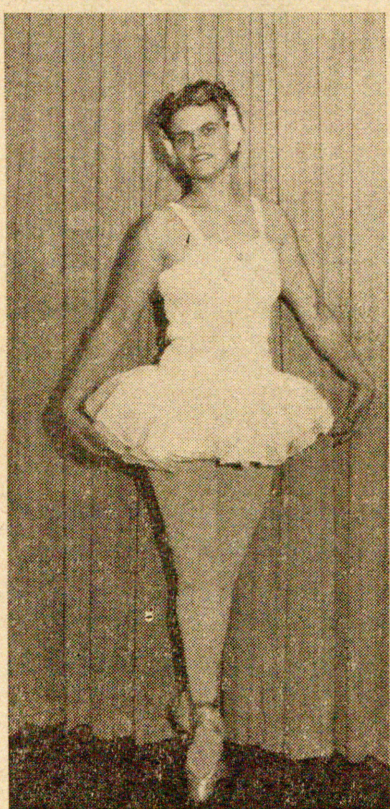

Dinner guests of the Knute Lovegren family were: Mrs. J. A. Schultz, mother of Mrs. Lovegren and her son, Alfred of LaSalle; Mr. and Mrs. H. R. Barthel; Mr. K. Lovegren, Sr., and Mr. and Mrs. A. DeSanty and family. Guests at the Joe Curtis home on Thanksgiving day were: Mr. and Mrs. A. Johnson and family of Harvey and Mr. and Mrs. Ralph Curtis and son.

Mrs. W. Fierke and Mrs. James Nellis attended the executive board meeting of the Southwestern Area Council of P.T.A. at the Quin school in Palos Heights Tuesday evening. The Council is sponsoring a study course on general P.T.A. organization beginning Jan. 10. The six two-hour session will be conducted on Monday mornings at the Carl Sandburg high school.

Jet Engine Alloy Producer

International Nickel is one of the principal producers of heat-resistant alloys for the aircraft industry. It is reported that every British aircraft gas turbine has rotor blades made of one or another of the Nimonic nickel-chromium alloys produced by a subsidiary of the company. In Canada, Inconel "X" is used for turbine buckets and in the United States this nickel-chromium alloy has been adopted for turbine wheels in the turbo-compound engines used in transatlantic and transcontinental air transports, as well as for important parts of military jet engines.

Out of Depths

Lesson for December 5, 1954

THE worst trouble is not what most people think. When you say "if the worst comes to the worst," what do you mean? You usually mean that if it comes to losing your job, or if we are defeated in war, or if you lose your health, or die. The inspired men who wrote the Bible did not think such events were good; they did not pray for them but rather that they would not happen. Still, as we saw last week, even in the midst of terrible troubles they could sing because they knew that God is over all and they felt themselves on his side, at his side.

Breaking With God
But what happens when a man cannot feel that he is on God's side? How does it feel to know God is against you, not for you? How does it feel to be on the other side of a wall from God? Some of the Psalmists had been through an experience which we call by the simple name of Sin. Now sin is not merely single acts, it is the whole dark business of breaking with God. Sin is the state of things when a man and God are no longer partners. Sin is losing the one support a man can count on in time of trouble. If the worst comes to the worst, it is not death or pain or failure that is most to be feared, it is being loose and lost in the world without God. God never breaks with a man unless the man has broken first. But when a man has as good as acted as if there was no God at all; when he has as good as said to God, "Go your way and I'll go mine"; when he has done what God does not want done and failed to do what God wants done; when he has refused God's help, refused to associate with God's people, refused even to speak to God, what can God do with such a man? He could blast him out of existence in a twinkling, or he could compel his obedience; but God does not operate that way. In the simple, chilling words of St. Paul (Romans 1) God "gives up" such a man. He lets the man go his own way.

Without Hope
So long as a man is unaware of his sin in God's sight, he can be pretty gay. A good many jolly people have gone the broad road to destruction. But once a man begins to see that there is a break between him and God, once he realizes what he has done, he enters the most terrifying experience it is possible for human beings to have. For now he knows ... and how can he mend it? How can he come back? If God were his friend he would not fear any enemy, any trouble, any disaster. Even death would only bring him to the presence of his heavenly Father. But what if he has thrown away and despised the friendship of God? What if death only brings him face to face with the condemning judge? A man who has become aware of what sin is, what his own sin is, knows that unless God can do something about it, he is without hope in this world or the next. It is of no use to believe in the victory of eternal love if he himself has been fighting on the wrong side. Even if he makes a complete turn-about this very day, what about all the worse-than-wasted days before? He has done the damage, he has let loose evil in the world. Unless God comes to his rescue he is truly lost; but what claim has he on God? Why should God bother with him, a man who has never bothered about God?

'Thou Hast Delivered My Soul'
Those who have known and loved God best have thanked him for many blessings; but like the Psalmists of old, the greatest blessing and the one which underlies all others and makes them bright, is the forgiving love of God. God's forgiveness is not at all the same thing as looking the other way as a careless policeman might when a driver runs through a red light. It is not God's saying that it really makes no difference. It is God's unconquerable love reaching across the gulf between himself and us who have sinned. Three things we need to remember about this: one is that God's forgiveness is never forced on any one, never promised to those who do not turn from their sins to God. One is that when a man has known the real forgiveness of God he shows it in a changed life.

Illinois TAX FACTS

By George E. Mahin, Executive Secretary
Taxpayers' Federation of Illinois

School teachers throughout Illinois are circulating petitions put out by school organizations in an attempt to pressure Gov. Stratton into agreeing to an increase in the state sales tax at the impending session of the General Assembly, it was stated today by the Taxpayers' Federation of Illinois.

A 1c increase in the sales tax would mean an approximate \$30.50 tax boost for a family of four with an income of \$4,000 a year, the Federation points out. A 2c increase would mean a \$61 annual tax increase for that family.

"While the petitions innocently ask only for an increase in state aid for schools, it is a well known fact that an increase in state aid is impossible without an increase in the sales tax in view of the State's financial condition," George Mahin, Federation Executive Secretary, stated.

At the same time the City of Chicago is again talking about legislation to take away from the people the right to vote on the question of a city sales tax and, the Federation points out, the downstate cities through the Illinois Municipal League are certain to join that campaign.

The Taxpayers' Federation says the money isn't there. "The taxpayers had better wake up before it's too late," Mahin concluded.

\$131,000 Christmas Club Checks Mailed By Harvey Federal

Over \$131,000.00 in checks were received by Harvey Federal Savings Christmas club members this week, according to figures released by John Bardwick, president.

"Our 1954 Christmas Club accounts reached an all time high with 1426 members participating this year as against 1299 for the previous year," Bardwick stated.

Figures released by Harvey Federal Savings of Harvey, show that the average account saved \$92.00 for miscellaneous Christmas purchases, Bardwick, in estimating that the bulk of the Christmas club checks would be spent locally on Christmas presents, said that previous statistics proved that approximately 25% will go into permanent savings.

Again, this year, the \$2 per

week club, which produced \$100 at the end of the club year, was the most popular with the \$1 per week payment second in choice. Third choice was the \$5 per week club. Christmas Club members have a choice of saving from 25c a week up to \$10 a week.

Although Christmas club savings have become increasingly popular each year, Bardwick pointed out that new converts to the plan always express their

amazement that they saved enough to take care of their gift problem so easily without delving into current expense money.

To old experienced Christmas Clubbers and the new ones Mr. Bardwick points out that the 1955 club starts immediately and all classes of weekly or monthly payments are welcome. 1955 Christmas Clubbers may register from now up to January 10, 1955.

Sleek models of future cars feature bodies made of plastic strengthened with glass fiber. This is a new application for glass fiber, which already is being used for many other purposes including the insulation of homes, refrigerators and stoves. The fiber is formed from molten glass by extrusion through holes in apparatus made of a platinum-rhodium alloy. The precious metals alloy is employed because it resists the high temperature of the molten glass and also the eroding action of the process.

The Hi-X plan to present a humorous play in the church social rooms Saturday evening, Dec. 11. The play is entitled "The Great Bottleneck Diamond" and is directed by Lewis Barr, who had considerable experience in managing amateur plays while attending Blackburn college. It promises an evening of fun to all who attend.

Sunday afternoon, Dec. 5 at one o'clock, the annual Homer church meeting will be held following a fellowship lunch. Reports from all church officers and the heads of affiliated groups will be heard at this time and new officers will be elected for the ensuing year.

Mrs. Verna Ault of Kansas City, Mo., is spending several weeks with relatives here and in Chicago. Both she and her mother, Mrs. Edna Mergler, are house guests in the George Burckham home.

Mrs. F. J. Paddock left Sunday, via air, for California, where she will be the guest of the Dr. Harold Henke family. She accompanied Mrs. Henke who has been a visitor in the home of her son in Lockport for a few weeks.

John Garbrand who has been home on furlough for a few days, is now stationed at McGill Air base in Florida.

A. H. Bruning recently secured permits for seven new residences to be erected on 14th Place, Homer twp.

Death of

Mrs. Edward Lindemann

Funeral services were held Wednesday for Mrs. Edward Lindemann (nee Reone Gedick) of 139th and Elm Sts., Homer township, at the Egan funeral chapel in Evergreen Park.

Mrs. Lindemann died at Silver Cross hospital Saturday evening after a very brief illness. She is survived by her husband, her parents, Mr. and Mrs. William Gedick, of Evergreen Park, three small children, Dennis, Terry and Ray; and three sisters. The family are among the newer Homer residents. The sympathy of the community goes to the stricken family.

Homer's first Christmas party of the season will be that of the Wayside Workers' circle of King's Daughters in the Ray Carlson home beginning with a luncheon at one o'clock today, Dec. 2. An appropriate program and games will occupy the afternoon. An offering will be taken for the Indian work of the organization instead of the customary gift exchange.

Thanksgiving Guests

Mr. and Mrs. Frank Loucks and Arthur Strehma, also their friend, Mrs. Frank Grant of Joliet, motored to Oak Lawn where they were dinner guests in the Harry Loucks home.

The Robert Shepherd, Sr. family gathered with their parents for Thanksgiving, with the exception of the Alan Shepherds whose children are confined to their home with the mumps.

The Harvey Ingersolls entertained a family gathering which included Mr. and Mrs. Gilbert Doig, Mrs. Jennie Eriksen, Miss Florence Cleveland, Miss Maggie Smith, Mrs. Donald Aspel and Gary Walk, all of Joliet, also Mr. and Mrs. Loren Aspel and daughter Karen Lee, Mrs. John Miller, Mr. and Mrs. Glenn Miller and daughter, Gloria Jean, of Lockport; the Ingersolls' daughter, Donna Grace, home from nurse's training school in Chicago; Mr. and Mrs. Henry Thompson and son Bobby and Ralph Ingersoll of Homer.

Mr. and Mrs. Mike Roberts and children, Dannie and Kathie had Thanksgiving dinner with his parents, the William Roberts of Mokena.

Mrs. Mary Keating of Chicago was a Thanksgiving day guest of her daughter, Mrs. H. V. Drewes and family.

Guests in the Milne home Thursday were Eulene Milne, Lewis Barr, Mr. and Mrs. Reed Burch and daughter Carol, Henry Burch and Elizabeth Anderson.

The R. W. Carlson family ate

dinner with the Joe Vancils in Downers Grove.

Mr. and Mrs. C. C. Rowley were Thanksgiving Day visitors at a family dinner at which their granddaughter and husband, Mr. and Mrs. Robert Langlois of Lockport were the hosts.

There will be square dancing, sponsored by the Maue PTA, at the school Friday evening, Dec. 3.

Maue school's Christmas party and program are scheduled for Wednesday evening, Dec. 22.

The flocks of small birds which have been landing in yards and fields the past few months are not sparrows, as some casual observers have thought, but do resemble starlings, and probably are.

Both the sparrow and the starling are well known to man. Both were introduced into America and both have rapidly increased in numbers.

The sparrow seems to follow man everywhere and many nest in the eaves of buildings. The mantle of the male is brown striped with black, head bluish-gray, two narrow bands, one white and the other rusty-yellow, on wings; cheeks grayish-white, front of neck black, under parts light gray. One authority states that about 75 per cent of the sparrows feed on grain and only about 10 per cent insects. In many places small sums have been paid for their destruction.

Starlings travel in flocks, sometimes with the grackles and other blackbirds, and are usually seen walking rapidly about on lawns or meadows, where they feed voraciously on the larvae or grubs of the Japanese beetle, thus doing some good. Their habit, however, of taking possession of the nesting holes of those of our native birds that nest in holes, makes them undesirable.

The starling is chunky bodied, blackish with a long bill, short square tail and rather long legs and toes.

Starlings do migrate and that is probably why they have been seen in such unusual numbers lately.

Thanksgiving Day

Snow flurries lent a wintry feeling to Thanksgiving that was not at all unpleasant, and families generally throughout the area celebrated the day in the traditional manner.

Mr. and Mrs. Owen Maue and family were dinner guests at a family gathering in the home of her brother, Mr. and Mrs. Everett Holm, in Gooding's Grove.

Mr. and Mrs. Henry Felsch were hosts to a family gathering.

Guests of Mr. and Mrs. Joseph Pelouquin for dinner were his brother and family, Mr. and Mrs. Phillip Pelouquin, Terry and Jeffrey, of Blue Island.

Mr. and Mrs. Stuart Culp and his mother, Mrs. Nell Culp, of Chicago, enjoyed dinner at the Surrey restaurant in Beverly Hills.

Mr. and Mrs. Louis Schmidt entertained at a family gathering for dinner. The Schmidts have two reasons for being especially thankful this year. One is that their grand daughter, Valeria, daughter of their son Will Tuttle, of Mokena, who has been ill with rheumatic fever in Silver Cross hospital, Joliet, seems improved and was permitted to return home. Their other reason is that their son Scott, of Chicago, who has been seriously ill, seems now to be on the road to recovery.

Mr. and Mrs. John Janulis entertained at a family gathering and dinner.

The Edward Mroseks spent Thanksgiving and Saturday evening with his parents, Mr. and Mrs. Gust Mrosek, in Chicago, where his sister, Mrs. Alvin Briggs, of Barnett, Mo., was also visiting.

Mr. and Mrs. Albert Reeves and family enjoyed a dinner at home, Sunday evening they visited at the home of her brother, Mr. and Mrs. Roy Jones, in Riverdale, for a delayed gathering in honor of the holiday occasion.

Mr. and Mrs. Henry Cripps enjoyed the holiday and week end in New York. While there they were guests in the Biltmore hotel and had the pleasure of seeing the Army and Navy game in Philadelphia.

Mr. and Mrs. Donald Kohl entertained at a family gathering and dinner.

Mr. and Mrs. Harwood Stellwagen and family enjoyed dinner with his parents, Mr. and Mrs. Ralph Stellwagen in Mokena.

Alpine School News

The reading groups of 7th and 8th grades of Maue school combined to prepare and present the choral reading. The Thanksgiving Story, to the lower grade room. Groups and solos were chosen according to the pitch and quality of the voices.

The 5th and 6th grade science classes reviewed their unit on insects by making a free hand drawing of some insect studied and preparing written paragraphs about its life development, how it is helpful or harmful to man, etc. the children enjoyed its correlation of language art and science.

Grades 1 through 8 have been making oral and written book reports.

On Tuesday we saw two Dental Health Films entitled, "Win Your Health" and "It's Your Health" which were both quite appropriate following our recent dental examinations.

Both rooms have made selections of games to be purchased for use in the basement.

Last April Tommy Cripps and Reed Williams sent a "Message in a bottle" dropping it in Hickory Creek at the bridge near Reed's home on Wolf road. Last week end while hunting near Marley, Larry and Ronald Settis found the message and were quite excited about its contents.

Maue's students were quite thrilled with two excellent social studies films on "Alaska". We're very grateful to Mr. and Mrs. Knieriem who made a flying trip to Carl Sandburg high school to borrow their large film reel, when we discovered our largest reel was much too small for the showing of "Alber-ta's Timberline".

Grades 1 to 4 made some colorful 3 dimensional, Turkeys, for their Thanksgiving table decorations. They also learned about the many wonderful things for which they are thankful not only at this time, but all year around.

Laboratory experiments conducted by the Bureau of Mines at Bruceston, Pa., last year advanced a "single-step" hydrogenation process for obtaining high yields of gasoline directly from coal.

Coal-To-Oil Technology

The processes of converting coal into oil and gasol, are now fully established. It is a question only of getting the cost of the synthetic liquid fuels down to a point that will be competitive with the natural products.

One of the first moves to mechanize the U.S. coal industry occurred in 1881 when three mines installed "undercutting machines." Today, nearly 98% of all bituminous mined in the U.S. is mechanically cut by machine.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Nov. meeting of the missionary society was held in the Marley church last Tuesday. Rev. Chester Husted addressed the group on home and foreign missionaries. Plans were made for the Christmas pot luck dinner to be held in the church Dec. 15. Each member is to bring a dish to pass and a fifty cent gift to exchange. Members are also to turn in their banks at this meeting. Mrs. Robert Sproat and Mrs. James Tilsy were appointed to the nominating committee for the election of officers to be held at the December meeting. After the meeting refreshments were served in the dining room by the hostesses, Mrs. Alma Stellwagen, Mrs. Francis Tilsy, Mrs. Donna Been, Mrs. Roberta Walker and Mrs. Ada Cummins.

The Womans club will meet in the Spot Cafe in Joliet at 12 o'clock Thursday, Dec. 9 for a luncheon and their regular meeting. This will be their annual Christmas dinner party. Members are to reveal themselves to their secret pals with gifts.

The Hadley Mother's club will meet in the Hadley school Wednesday night, Dec. 8 at 8 o'clock. Members are to bring a gift worth a dollar to exchange. A Christmas program will be presented under the direction of Mrs. Charles Elliott.

An infant dedication service was held in the Marley church, Nov. 21 during morning worship. Babies dedicated were Debra Ann, daughter of Mr. and Mrs. Charles Sass, Joel Timothy son of Mr. and Mrs. Howard Handorf, Denise Anita, daughter of Mr. and Mrs. John Handorf, Richard Malin, son of Mr. and Mrs. Herschel Aseltine, and Vivian Ann, daughter of Mr. and Mrs. Jesse Carney.

Guests Thanksgiving of the Russel Lauffers were Mr. and Mrs. Harley Gillette of Mokena, Mr. and Mrs. Burton Gillette and family of New Lenox; and Mr. and Mrs. E. D. Gillette.

Thanksgiving guests in the John Handorf Sr. home were Mr. and Mrs. John B. Handorf and family, Charles W. Lahmann and Mr. and Mrs. George Yarp and family.

Mrs. Virginia Townsend of Bloomington spent last week end in the home of Mr. and Mrs. Kenneth Richardson.

Mr. and Mrs. James Frazer were guests Thanksgiving in the home of Mr. and Mrs. Harry Hull at Lincolnshire. Frank Listz spent a few days last week with relatives at Allegan, Mich.

Mr. and Mrs. Jesse Cory of Earlville were visitors Friday afternoon of Mrs. Adella Sproat. Mr. and Mrs. Paul Batten and son George, of Chicago, were Sunday guests of Mr. and Mrs. Glen Peterson.

Mr. and Mrs. Owen Maue and family were entertained at dinner Sunday in the home of Mr. and Mrs. Russel Lauffer.

Mr. and Mrs. Robert Sproat and family had as their Thanksgiving dinner guests, Mr. and Mrs. Durward Killinger of Joliet, Rev. and Mrs. Herschel Aseltine and family, Rev. Chester Husted and Mrs. Adella Sproat.

Mr. and Mrs. Wayne Peterson and daughter Laura Sue of Gifford, Ill. were Saturday visitors in the Loren Sass home.

The Freeman Fellowship will meet Sunday night with Mr. and Mrs. Francis Nelson.

BABSON SAYS—

Copyright, 1954, Publishers
Financial Bureau, Inc.

Twenty-five years ago I made a well-known forecast about an impending big break in the stock market. (Reprint of the article which appeared in the New York Times in 1929, recording my statement, will be sent to anyone free on request.) At the close of the previous day in 1929, the Dow-Jones Industrial Stock Average stood at 380. The market immediately began to weaken and shortly plunged down swiftly, closing at 230 - a decline of 150 points in less than eight weeks. Today the Dow Jones Industrial Average is 358, within 6 points of the highest figures since 1929. In fact, it has moved up over 100 points since September, 1953.

I expect another severe reaction sooner or later, of at least 50 to 75 points. Surely, present stock yields are now too low, when 1954 Federal Taxes are deducted. Such a break in the market could occur even during a period of good business activity such as I am now forecasting. Stock prices have of late demonstrated that they can move independently of both business and earnings. It is well to recall that, in 1929, there were few outward signs of the stock market crash ahead.

Investors were then anticipating larger dividend returns with a reduction in risk through diversified Investment Trust holdings and promised mass production and inventions "such as the world had never seen before." The research laboratories of our great industrial concerns were

also then depended on to bring these miracles about. In short, a "New Era" was then confidently anticipated. Basically, there was weakness, but it was most apparent in stock market speculation.

The current market presents much the same irregular picture as was present in 1929. The so-called blue chips have outdistanced the bulk of the issues on the market, due to concentrated buying, much of it by Institutions, Pension Funds, and Mutual Investment Trusts. There are in addition many new crosscurrents in the market that did not exist in 1929. We have armament activity and other Government buying, heavy spending, support of farm prices, and especially the intense new advertising programs, which I consider very important.

It is clear that the economic picture and the trend in the market can change abruptly and snowball rapidly to an unexpected degree. The real purpose of my column this week is to bring to your attention that the market may soon be in as vulnerable a position as in 1929, especially if the capital gains tax should be repealed, for which the "bears" are striving. Those who were unprepared in 1929 had no chance to take the profits they thought they possessed. Nor did they have purchasing power when the market reached the unbelievable bargain levels of 1932.

The banks are now sound; employment is now good; profits in most lines are fair; while very few stocks are being "bought on margin"; all must have a margin of at least 50%. Home building is actually booming, and the in-

flation since 1929 has justified higher prices for both homes and stocks. Again, I commend the importance of today's advertising.

The boom in home building is, however, becoming a possible source of danger. This is a new factor which did not exist twenty-five years ago. Where the danger signals of 1929 are not now evident, this new danger signal of the "building boom" is surely with us. Furthermore, today's building is mostly on borrowed money. Only the Federal Government can prevent a wave of mass foreclosures some day.

This brings me to another present danger, namely, installment purchases. These purchases are today not increasing rapidly. They, however, are still very heavy. Curiously, they are now being encouraged by the banks which would have nothing to do with small loans twenty-five years ago.

Another different condition today relates to labor unions. Every right-thinking person must approve the general usefulness of labor unions in their place. Unions are justified in striking if necessary to eliminate bad working conditions and to get a fair wage. The present system, however, of demanding more money merely because a union has a monopoly of a certain industry is wrong and could ultimately bring on a panic.

FARM PROBLEM IS SURPLUSES, EXPERT SAYS

American farm production is expanding so rapidly that, despite the record growth in population, the major agricultural problem is one of surpluses, not

scarcities. Roger Fleming, secretary-treasurer of the American Farm Bureau Federation, said on a recent "It's POUR Business" radio broadcast.

In 1940, the average farm worker produced enough for himself and 11 other people, Mr. Fleming pointed out. Today, only 14 years later, that same farm worker is producing enough for himself and 18 other people, an increase of 63 per cent in farm production efficiency.

Since the end of World War Two, Mr. Fleming continued, mechanization on American farms has risen 250 percent—representing some 2,000,000 new machines—and 11 times more capital has been poured into the productive facilities of agriculture.

This enormously increased productive capacity, Homer Brinkley, executive vice president of the National Council of Farmer Cooperatives said on the same broadcast, is causing American farmers to pay greater attention to marketing problems.

Stainless Steels In Defense

The defense programs of the United States, the United Kingdom and Canada accounted for an appreciable proportion of the 1953 production of chromium-nickel stainless steels. The military and atomic energy programs continued to absorb large amounts of these steels for applications in which their ability to resist heat and corrosion, coupled with high strength properties, was of major importance.
